Economic Shutdown - Food Bank Lines - COVID-19 Virus - In 2020

The New World Order

One Possibility!

In regards to the current economic situation, because of last year's global recession and also the recent economic slowdown a catastrophic global economic crisis has occurred.

After the stock market crashed, all of the financial markets were closed for two weeks. Many were in a state of shock!

Hyperinflation, already a concern in Latin America had begun to affect other economies as well. Because of these concerns regarding hyperinflation and the stock market crash there was total chaos, globally! Everyone panicked so much that there was a run on the banks so all of the banks were forced to close. Some have since reopened. The media and the press had 24/7 coverage of all of this on every tv channel.

Some businesses were forced by the government to temporarily close their doors during which time government employees examined business records to any companies/corporations they wanted. Also, the internet and all social media sites were shut down so they could start a new internet service with only government sanctioned streaming news programs. The reason they said was that it was a necessary evil and we had to accept it.

Now they're telling us on the daily news reports that some sort of global restructuring is going on behind the scenes involving all of the world's financial markets, economic blocks, and that everything will be okay. The other day we heard they would be implementing a new global cashless system any day now and when this happens we will no longer be able to use cash. Biometric and rfid

systems/alternatives are being installed everywhere. Our hands, fingers and retinas were scanned and recorded for this new biometric system.

Our newly appointed global leader made his first appearance and he somewhat explained our economic situation. Everyone's shocked that all of this has so suddenly come to pass after the recent stock market collapse. It's difficult to believe this is really happening. It's crazy. Everything that the global president says now becomes the law. NWO banners and slogans are showing up everywhere, throughout every neighborhood, street, and city. Massive tv displays are being installed throughout

One could buy a cup of coffee for a million bolivars in Venezuela 2018

every region and major city. These are easily visible and are currently displaying the daily news reports.

We all agree martial law has become a reality. U.N. troops, the military police, and the local police have been stationed throughout every city. I never imagined anything like this could happen! Biometric and rfid identification systems are an everyday part of life. Everything's gone digital overnight. Those who have resisted this new system and are trying to live off the grid are already facing serious problems going about their daily lives.

Just recently there were new policies established for the masses regarding those who haven't gone in and received their biometric identification stating that it's now considered mandatory!

A Common Sight These Days In A Shopping Center Parking lot!

A friend of mine and his family had decided not to be included in the biometric program were on their way to live underground at one of their relatives properties. They were then stopped at one of the many local law enforcement checkpoints. Afterward he and his wife and kids have turned up missing and they haven't been seen or heard from since.

I really hope they haven't been sent to an internment camp!

Living in a global fascist state!

Soylent Green Or Bugs Your Choice!

Soylent Green Wafers

Soylent Green the Movie!

A nightmarish futuristic fantasy about the controlling power of big corporations and an innocent cop who stumbles on the truth.

In the future food shortages are so extreme that a jar of strawberry jam is $150 and people weep at the sight of beef. Housing in New York City, where "Soylent Green" is set, is only affordable to the richest of the rich. The elite, they're called.

Everyone else sleeps in their cars — or on the street.

At this time the Earth is overpopulated and totally polluted; natural resources have been exhausted, and the nourishment of the population is provided by Soylent Industries, a company that makes a food consisting of plankton from the oceans.

Most of the World's population survives on processed rations produced by the massive Soylent Corporation, including Soylent Red and Soylent Yellow, which are advertised as "high-energy vegetable concentrates". The newest product is Soylent Green: small green wafers which are advertised as being produced from "high-energy plankton". It is much more nutritious and palatable than the red and yellow varieties but, like most other foods, in short supply which often leads to weekly food riots.

Bug Burger - Made From Buffalo Worms

In New York City, when Soylent's member of the board, William R. Simonson, is murdered, apparently by a burglar at the Chelsea Towers West where he lives, efficient Detective Thorn is assigned to investigate the case with his partner Solomon "Sol" Roth.

Thorn comes to the fancy apartment and meets Simonson's bodyguard Tab Fielding and the "furniture" (woman that is rented together with the flat) Shirl and the detective concludes that the executive was not a burglary victim but executed. Further, he finds that the Governor Santini and other powerful men want to disrupt and end Thorn's investigation.

But Thorn is determined to continue his work and discovers a bizarre, disturbing secret of the ingredient used to manufacture Soylent Green.

Toward the end of the movie Thorn is injured and taken away by paramedics, and shouts out, "SOYLENT GREEN IS PEOPLE!"

Dead People to be exact!

Here's what we might expect soon in the New World Order diet.

Edible Bag Of Seasoned and Crunchy, Crickets, Grasshoppers, Silkworm Pupae, & Sago Worms

Comparison to Pre-Collapse Times

In wealthy countries, in pre-Collapse times, it was customary for people to buy most of their food at large, corporate warehouse-stores called 'supermarkets'. Often, when people see pictures of these facilities, their reaction is that the photo must be a fake. The vast size, the piles of fresh-looking and exotic vegetables, the shelves and shelves of varied boxed and bottled and immaculately wrapped products, the neatly plastic-wrapped, perfect-looking meat, it seems impossible. It's all historically accurate, though. Those images are nothing like the modern reality of going to market, and it's hard for us today to imagine how this magical fantasy land of food that our ancestors took for granted was even physically possible.

The New World Order has not come close to restoring the pre-Collapse global food system, but with decades to reshape the ruined global systems of the early 21st century, a global trade and transportation network, and access to the entire world, they have been able to shape a new global food system which by and large is fairly enviable relative to a purely local food system.

The Future Of Money: Gearing Up For Central Bank Digital Currency

IMF speech made on February 9, 2022

Let me start by thanking the Atlantic Council for providing a fitting venue to discuss central banks' forays into Digital Currencies.

Since its founding in 1961, the Council has made important contributions to strategic, political, and economic policy debates. Those debates have served us well, helping us to test the boundaries of our thinking and be better prepared for what lies ahead.

So, today, we aim to test our thinking again. We have moved beyond conceptual discussions of CBDCs and we are now in the phase of experimentation. Central banks are rolling up their sleeves and familiarizing

themselves with the bits and bytes of digital money.

These are still early days for CBDCs and we don't quite know how far and how fast they will go. What we know is that central banks are building capacity to harness new technologies—to be ready for what may lie ahead.

"In the next century, nations as we know it will be obsolete; all states will recognize a single, global authority." Strobe Talbot, Deputy Secretary of State, TIME, l992

The Goal Of The Illuminati Is A 'New World Order'

The Illuminati's 'Eye In The Triangle'

The perception is that our day-in day-out world is real.

The truth is that this world is a hoax, an elaborate deception spun by an all-powerful Illuminati controlled secret society presided over by the global elite.

The Illuminati call the shots in every major upheaval that they cause.

Their sphere of activity extends over the entire globe.

Their ambition and greed for wealth and power knows no bounds.

It is also their target to depopulate the globe and maintain a much lower population compared to what we have now.

There are certain methods of subjugation and control which are indispensable to the Illuminati.

One is, of course, complete authority over all financial systems, especially borrowing and lending.

With all banks under their direct supervision.

At the highest level the World Bank decides the fate of countries.

And it is an interesting and amazing fact that both the Federal Reserve Bank and the Bank of England are controlled by these Illuminati dynasties, in spite of the names of these banks.

It has been said that both Abraham Lincoln and John F. Kennedy wanted to change this system.

When A Real Power Move Is To Be Made It Will Be Done Suddenly!

If you want to bring about a "New World Order", you must first crash the current system.

The Illuminati will never allow their global hegemony to be destroyed.

The expression of this global control has been the US dollar.

They will trigger a global fiat currency meltdown.

All fiat currencies will be attacked and will collapse.

The last currency to collapse will be the US dollar.

They will then bring in a One World Digital Currency under the purview of a World Government.

Bohemian Grove - Owl Shrine. Where powerful men go to meet once yearly.

Their Goal Is To Collapse & Sink The Dollar

There's going to be a somewhat prepared response for any controlled opposition, but the need for this is going to be relatively limited since there's not going to be a realistic threat to these Illuminati and their plans.

"We shall have world government whether or not you like it, by conquest or consent." James Warburg to The Senate Foreign Relations Committee, l950

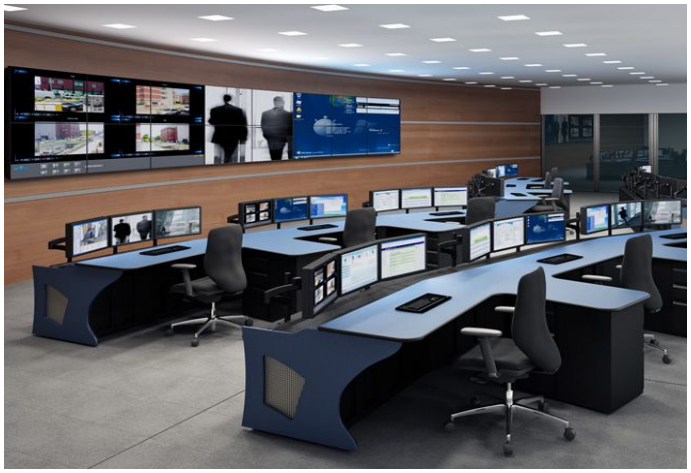
Surveillance Cameras With Computer Chips Or Smart Sensors That Predict And/Or Sense Criminal Activities, Alerts Police

With sophisticated cameras and smart sensor systems, law enforcement agencies and transportation departments across the United States are now able to proactively monitor and respond to crimes or accidents as they unfold; the sensors can also assist transportation departments in analyzing traffic patterns in real time; the system could allow officials to change one way streets, design real time traffic signals, and multiple speed limits to make traffic flow more smoothly.

The East Orange New Jersey police department was the first U.S. agency to install a Smart Imaging Sensor system as part of its broader network of security cameras around the city.

These smart sensors process images that the high-resolution cameras record in real time and can automatically detect and/or predict when a crime is occurring. When it senses something it will alert law enforcement officials instantly.

Government agencies and business around the world have already taken notice of predictive sensors.



Recently, an automated camera system called AIsight (pronounced eyesight), was installed in Boston after the 2013 marathon bombing, that monitors camera feeds in real time and alerts authorities if it spots unusual activity.

AIsight cameras use a statistical method called machine learning to learn what is normal for an area and then alerts on abnormal activity. That could be picking up anything from unusual loitering to activity occurring in restricted areas.

Mass. State Police Check Out Boston Dynamics' Spot The Robot Dog

Spot The Robot Dog Formally SpotMini Redesigned

Spot can carry up to four hardware modules on its back, giving Spot whatever skill the robot needs for a specific job.

Cops have long had dogs, and robots, to help them do their jobs. And now, they have a robot dog.

Massachusetts State Police is the first law enforcement agency in the country to use Boston Dynamics' dog-like robot, called Spot. While the use of robotic technology is not new for state police, the temporary acquisition of Spot — a customizable robot some have called "terrifying" — is raising questions from civil rights advocates about how much oversight there should be over police robotics programs.

The state's bomb squad had Spot on loan from the Waltham-based Boston Dynamics for three months starting in August until November, according to records obtained by the American Civil Liberties Union of

Massachusetts and reviewed by WBUR.

The documents do not reveal a lot of details on the robot dog's exact use, but a state police spokesman said Spot, like the department's other robots, was used as a "mobile remote observation device" to provide troopers with images of suspicious devices or potentially hazardous locations, like where an armed suspect might be hiding.

"Robot technology is a valuable tool for law enforcement because of its ability to provide situational awareness of potentially dangerous environments," state police spokesman David Procopio wrote.

Robot Dogs At Work

State police say Spot was used in two incidents, in addition to testing.

Boston Dynamics vice president for business development Michael Perry said the company wants Spot to have lots of different uses, in industries ranging from oil and gas companies, to construction, to entertainment. He envisions police sending Spot into areas that are too hazardous for a human — a chemical spill, or near a suspected bomb, or into a hostage situation.

THEY LIVE - The Movie

'They Live' is a 1988 American science fiction horror film written and directed by John Carpenter. The film stars Roddy Piper, Keith David and Meg Foster. It follows a nameless drifter (called "John Nada" in the credits), who discovers the ruling class are in fact concealing their appearance and manipulating people to spend money, breed, and accept the status quo with subliminal messages in mass media. Based on Ray Nelson's short story Eight O'Clock in the Morning, the movie is one of those rare subversive stories that forces viewers to question their world and their surroundings.

Right from the beginning, as we see Nada walking around Los Angeles with his backpack, the movie sets a particular mood: Something is not quite right. While Nada appears to be a happy-go-lucky kind of guy, the city is not happy and it is not too kind to happy-go-lucky kind of guys. Quite the contrary, there is a sense of impending doom in the air: Poverty is rampant, helicopters fly around the city and street preachers speak of soulless beings ruling the world.

A preacher's description of the "masters" is applicable to the Illuminati.

"Rowdy" Roddy Piper As John Nada

Seeking shelter Nada enters an empty church and discovers a hidden box. In an alley, he opens the box and finds dozens of sunglasses. Taking one, he hides the box of remaining sunglasses in a garbage can.

Nada discovers the sunglasses have unique properties. After putting on a pair, he sees the world in black and white and discovers it is not what it seems. Media and advertising hide constant subliminal totalitarian commands to obey and conform. When viewing those of wealth and authority Nada discovers they're not human.

When he has his sunglasses on, Nada sees through the smoke and mirrors projected by advertisement and mass media. He only sees the core of their message and the only reason why they exist. No matter which magazine Nada flips open, he sees the same subliminal messages, which tells a lot about the true function of "celebrity" and "fashion" magazines. Despite the fact that they are all different, they all ultimately serve the same purpose: To reinforce messages from the elite to the masses.

We're living in two worlds, you and I.

There's the world we see (or are made to see) and then there's the one we sense (and occasionally catch a glimpse of), the latter of which is a far cry from the propaganda-driven reality manufactured by the government and its corporate sponsors, including the media. Indeed, what most people perceive as life in a privileged, progressive and free society — is a far cry from reality, where economic inequality is growing, real agendas and real power are buried beneath layers of Orwellian doublespeak and corporate obfuscation, and "freedom," such that it is, is meted out in small, legalistic doses by militarized police armed to the teeth.

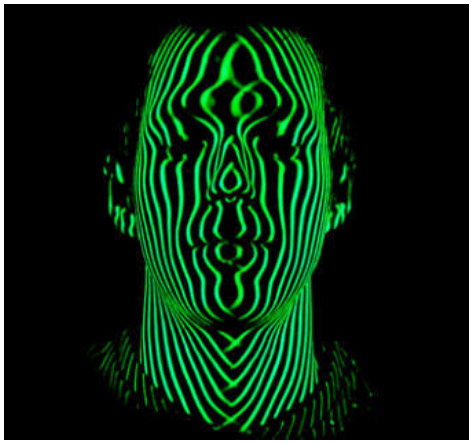
All is not as it seems.

"By the end of this decade we will live under the first One World Government that has ever existed in the society of nations ... a government with absolute authority to decide the basic issues of human survival. One world government is inevitable." -Pope John Paul II

Body Check

(Dynamic structured light acquisition techniques use a set of lines projected onto an object of interest to generate a 3D surface. Fingerprints or facial scans can be acquired using this method without the need for contact, making acquisition possible from a distance)

In recent years a number of countries have initiated biometric schemes aimed at protecting their borders. Although they are typically launched amid claims that they will accelerate the immigration



process, this isn't always their central purpose, and frequently the new systems culminate in long queues.

Back in 2002 Australia unveiled its plans for SmartGate, a system that uses biometric facial recognition technology linked to the passenger's e-passport.

Recent travellers in the US may have been taken by surprise by a new biometric security system in place at key airports, which requires ten fingerprints for identification. Clear Cards, which carry biometric information, have been used by Americans since 2005.

CLEAR is a private program that uses biometrics — your identity is verified through a scan of your iris or fingerprints, depending on which image is most distinctive. Clear's biometric identity verifier is now in 24 airports (34 soon) and eight sports stadiums.

Clear ID Pass document is available to US citizens and permanent residents. In addition, to the documents required to apply for the ID, applicants were required to submit digital images of their fingerprints and iris scans, as well as a digital photo before they are issued the document. Clear then "creates and stores a template, or mathematical representation, of the fingerprints and iris images, to create a unique biometric ID of the Member."

All of the data submitted by the applicant is sent to TSA, which creates an applicant's "security threat assessment" based upon a background check that's included its controversial "no-fly lists." After the verification process, each approved applicant is issued a "card" that allows them to access designated airport security fast lanes for processing through security at airports nationwide. The card also gives access to discount parking and speedy entry into major sports venues.

Dubai has established e-gates where registered passengers swipe an ID card and pass through a fingerprint scan, and the Netherlands has introduced Privium, a paid-for iris scanning service that offers a range of benefits, including lounge access and fast-track check-in.

e-Borders

Now e-Borders (electronic borders), a programme run by the UK Home Office's UK Border Agency at a likely total cost of £1.2bn, aims to tighten security at the country's borders. e-Borders is a joint programme run in partnership with the police and intelligence agencies. It requires commercial carriers and owners, or operators, of all vessels to submit detailed passenger, service and crew data in advance of their departure to and from the UK.

The Illuminati New World Order (NWO) conspiracy is for real.

It is unfortunate, but true.

It would be hard to believe that such an unsavory conspiracy that is so massive, so far reaching and and so dark, has a strangle-hold on humanity's very existence and its way of being.

The Eye Of Horus (Osiris)

If you are wondering if it can be true, read the quotes throughout this page for the words from presidents and world leaders who profess its coming success and its reality.

It has been a plan that has been in development for many generations, and the final chess moves are about to take place.

There are secret societies behind the world's most powerful governments, and the masses are seen as "chattel," animals to be controlled, manipulated, influenced, and used as they see fit.

While you have enjoyed many freedoms in your life, you are not as free as you have thought you were, and the freedoms you have will be fully removed if the New World Order conspiracy has its way.

It is not a conspiracy, really. It is an agenda that is put out in the open.

The New World Order is being established by the Elite of the Elites and consists of the international bankers, top government officials, leaders in the energy cartel and media monopoly owners including the Power Elite of 13 Old Line Families through the years.

That global agenda is constructed around six goals.

Goal #1 : The establishment of international economic order (cashless society)

Goal #2: The establishment of a one-world government

Goal #3 : The conquest and subjugation of two super powers (USA and USSR)

Goal #4: The ascension of the United States of Europe as the dominant nation in a Confederated one-world government

Goal #5: The ushering in of a supreme world leader to preside over the new unified one-world government

Goal #6 : The establishment of a one-world religion which will coordinate all the world's religions, cults, faith groups and spiritual beliefs under the guidance of Supreme Pontiff

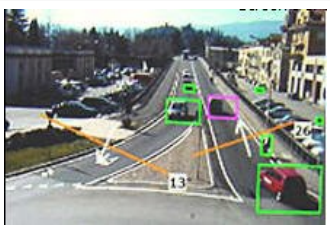
"The American people will never knowingly adopt socialism. But, under the name of 'liberalism,' they will adopt every fragment of the socialist program, until one day America will be a socialist nation, without knowing how it happened." - NORMAN THOMAS, former U.S. Socialist Presidential Candidate

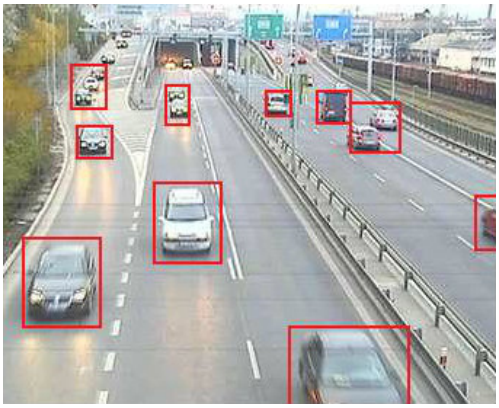
Video Surveillance Gets Smarter



The City of Chicago's Office of Emergency Management and Communications and IBM implemented one of the most advanced city-wide intelligent security system ever conceived. The engagement is a part of Chicago's Operation Virtual Shield, a project that encompasses one of the world's largest video security deployments.

IBM helped the City experts and network engineers to design and implement a surveillance strategy infrastructure to capture, monitor and fully index video for real-time and forensic-related safety applications. This entailed building a unified fiber network throughout the downtown Chicago area, deploying a critical wireless infrastructure to offer

flexibility as required, installing hundreds of new surveillance cameras, linking thousands of preexisting cameras to the network, and creating a fully redundant backend system to monitor the video, store the images and allow for business continuity and disaster recovery applications.



Chicago's security solution is designed to provide several benefits to both city officials and citizens including: real-time video surveillance intelligence for proactive homeland security monitoring; faster response time to emergencies; more effective deployment of emergency responders; and increased travel efficiency through traffic congestion tracking.

Many things go unnoticed in big cities every day, but that world has now changed in Chicago with this video surveillance system that can recognize anomalies and alert authorities to take a closer look.

"Chicago is really light years ahead of any metropolitan area in the U.S. now," said Sam Docknevich, who heads video-surveillance consulting for IBM.

Chicago already had thousands of security cameras in use by businesses and police - including some equipped with devices that could recognize the sound of a gunshot, turn the cameras toward the source and place a 911 call. But the current system will let cameras analyze images in real time 24 hours a day.

"You're talking about creating something that knows no fatigue, no boredom and is absolutely focused," said Kevin Smith, spokesman for the city's Office of Emergency Management and Communications.

This system can be programmed to alert the city's emergency center whenever a camera spots a vehicle matching the description of one being sought by authorities.

The system can also be programmed to recognize license plates. It can alert emergency officials if the same car or truck circles the Sears Tower three times or if nobody picks up a backpack in Grant Park for, say, 30 seconds.

"Cities today are faced with ever-increasing threats and advanced security surveillance systems can be a critical component in ensuring safety," said Mike Daniels, senior vice president, IBM Global Technology Services. "IBM is proud to be a part of Operation Virtual Shield and the City of Chicago's visionary approach to homeland security."

"If you want a vision of the future, imagine a boot stamping on a human face -- forever." George Orwell author of Nineteen Eighty-Four, a glimpse at a dystopian future where the world is run by totalitarian regimes.

Panoptic Surveillance See-Thru 3D System

A Panoptic Video Surveillance See-Thru 3D System could be loosely described as a formalised, scalable implementation of X-ray vision. The system enables one or more surveillance agents, using a single high resolution, auto-stereoscopic display, to remotely monitor the security situation of an arbitrarily large number of locations at-a-glance.

The system would allow a single agent to monitor thousands of places at the same time without overwhelming them with the massive amount of information being processed and displayed. It enables this by using artificial intelligence to determine what's important to look at.

The surveillance agent's mental load is radically optimized towards monitoring only what is most critical to security: presence and movement of (groups of) people and vehicles inside a campus/site and its buildings as well as any security-sensitive events (such as fires, smoke, badge access, assemblies, gun-shots, people running etc).

Agents can see, hear and transport their focused viewpoint through walls, floors and ceilings, zooming into a specific location to monitor it at a level so acute that it seems beyond the levels of even science fiction.

Designed to enable both wholistic site-wide and granular-level security, the system is ideal for monitoring airports, shipping ports, transit sites and other ports-of-entry, hotels, casinos, shopping malls, campuses, military bases, large buildings and building complexes, offering total situational awareness at a glance.

Weather As A Force Multiplier

Owning The Weather In 2025
In 2025 US aerospace forces can "own the weather" by capitalizing on emerging technologies and focusing development of those technologies to warfighting applications. Such a capability offers the warfighter tools to shape the battlespace in ways never before possible. It provides opportunities to impact operations across the full spectrum of conflict and is pertinent to all possible futures. The purpose of this paper is to outline a strategy for the use of a future weather modification system to achieve military objectives rather than to provide a detailed technical road map.

Category 5 Irma the Strongest Atlantic Hurricane on Record

A high risk/high reward endeavor, weather modification offers a dilemma not unlike the splitting of the atom. While some segments of society will always be reluctant to examine controversial issues such as weather modification, the tremendous military capabilities that could result from this field are ignored at our own peril. From enhancing friendly operations or disrupting those of the enemy via small-scale tailoring of natural weather patterns, to complete dominance of global communications and counter-space control, weather modification offers the warfighter a wide range of possible options to defeat or coerce an adversary.

Technology advancements in five major areas are necessary for an integrated weather modification capability: (1) advanced nonlinear modeling techniques, (2) computational capability, (3) information gathering and transmission, (4) a global sensor array, and (5) weather intervention techniques. Some intervention tools exist today and others may be developed and refined in the future.

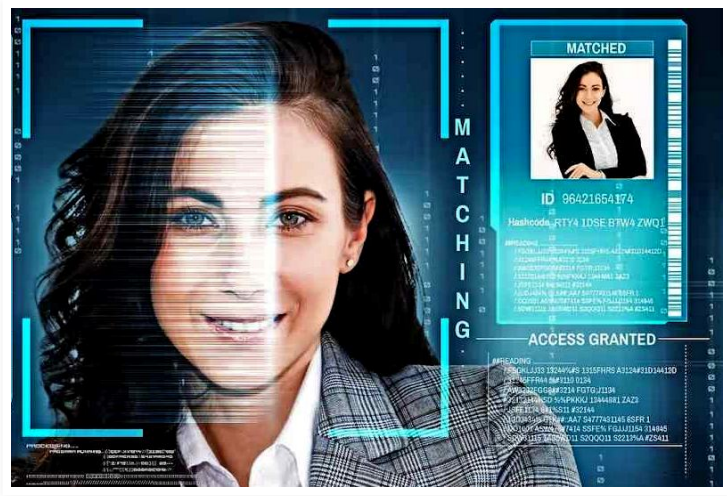
CyberExtruder's 2D to 3D Face Patent

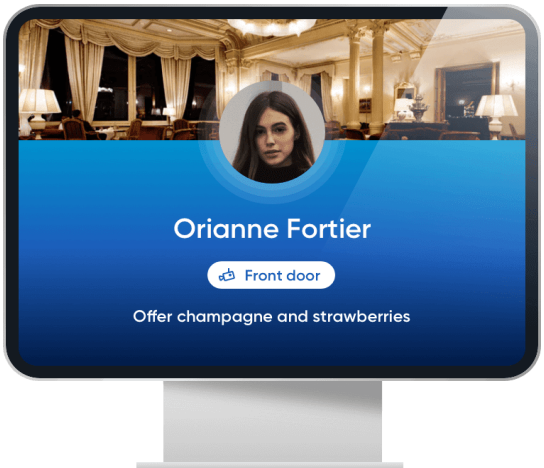
CyberExtruder is a high tech company that has been given a patent for their process of creating reliable 3D models of a person's face from a single or series of 2D images.

CyberExtruder has announced the release of Aureus 3D Version 5.7. "With Aureus 3D Version 5.7, we've achieved product performance at speeds unprecedented in the industry," says Paul Nicholas, President, and CEO. "With our 128 byte face template size, the smallest in the industry, we can perform matching on



a database of 7.5 billion people (the world population) in 4.69 seconds. With speeds at this level coupled with superior accuracy and scalability, Aureus 3D Version 5.7 will change the industry. There's nothing of its kind anywhere."

Aureus 3D Version 5.7 provides the easy to integrate and easy to deploy high-performance face recognition solution demanded in a wide variety of applications including loss prevention and security, access control, law enforcement and Safe City, and hospitality and gaming. Aureus 3D Version 5.7 is the perfect enhanced video analytic now required by industry leading VMS and PSIM systems.



A proprietary 2D to 3D face modeling technology mitigates the challenges of pose, lighting, and expression in combination with a novel deep neural network architecture that provides enhanced discrimination capability at high speed with low memory requirements. Providing OEM's, solution integrators and end-users with the industry's best facial recognition technology for a broad spectrum of real-world government and commercial applications.

CyberExtruder's 2D-to-3D conversion is certainly an important innovation to the security and biometrics technology industries. Why? It enables better matching between offline photographs and surveillance video. While the matching of "watch list" images against surveillance video has traditionally achieved mixed results as a result of inadequate lighting, angle, expression, etc., this patent could signify a leap forward in terms of the quality and value of 3D facial images.

Research has focused on solutions to solve facial recognition's weakest operational elements – Age, Pose, Illumination and Expression (known as the APIE problem).

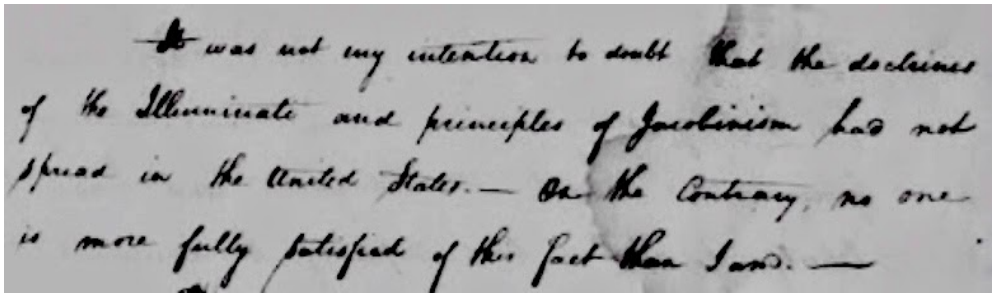
The benefits of holistic 3D approach to face recognition are particularly evident when viewed in the context of mitigating errors in face matching due to subject pose (the angle of the person's face relative to the camera) and expression (the person's innate ability to deform their face).

Years of research have been aimed at developing ways in which a computer can not only understand how a human face is composed, but also how to differentiate one face from another. Security features which can now be applied across markets like loss prevention, financial services, law enforcement and security, healthcare, defense and intelligence and a myriad of marketing and customer service applications.

"Let me control a peoples currency and I care not who makes their laws..." Meyer Nathaniel Rothchild in a speech to a gathering of world bankers February 12, 1912. The following year, we subscribed to the "services" of the newly incorporated Federal Reserve, headed by Mr. Rothchild.

The Illuminati Arrive In America - 1785

(George Washington (1732-1799) Founding Father, 1st US President, 'Father of the Country'. He spoke of the Illuminati in a letter written to the Reverend G. W. Snyder (24 October 1798). He said: "It is not my intention to doubt that the doctrines of the Illuminati and the principles of Jacobinism had not spread to the United States. On the contrary, no one is more fully satisfied of this fact than I am".)



George Washington concerning the Illuminati

Washington issued several warnings shortly before his death, about the Illuminati. Washington knew that the Illuminati, based in Europe, had arrived on American shores. In 1789; John Robison, a Scottish scientist warned all Masonic leaders in America that the Illuminati had infiltrated into their lodges and on July 19, 1789; David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how Illuminism was having an influence on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings.

In 1785, the Columbia Lodge of the Illuminati was established in New York City. Among its members were Governor DeWitt Clinton, Horace Greeley (politician and editor of the New York Daily Tribune), Charles Dana, and Clinton Roosevelt (the ancestor of Franklin D. Roosevelt). Roosevelt wrote a book called Science of Government Founded on Natural Law, in which he wrote: "There is no God of justice to order things aright on earth, if there be a God, he is a malicious and revengeful being, who created us for misery." He referred to himself and other members as the "enlightened ones," and said that the U.S. Constitution was a "leaky vessel" which was "hastily put together when we left the British flag," and therefore needed revision.

In 1786, a lodge was started in Portsmouth, Virginia, where allegedly, Thomas Jefferson was a member; followed by fourteen others in different cities of the thirteen colonies.

In April 1793 France sent new ambassador Edmond Genet to America so he could collect payment for the American debt incurred during the American Revolution. The money was to be used to finance France's war with England. However, his real reason for being here was to gain political favor for France and spread Illuminism, which he did through the establishment of 'Democratic Clubs.'

Washington said of "the clubs" that they "...would shake the government to its foundations."

The 'New World Order'

Soon this world will be divided into 10 major geographical regions and nerve centers. The Illuminists know that all of the governments around the world are destined to collapse soon. They know this because these are planned economic collapses. With the total collapse of the global economy a world wide take over will be enforced thereby creating a Totalitarian Police State.

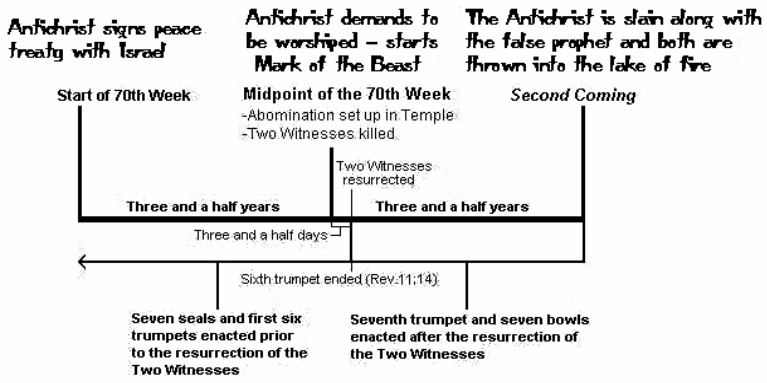
The "New World Order"

The Coming 'New World Order' in Bible Prophecy

Daniel 9:27 He (the Antichrist, the soon to be ruler over the NWO) shall confirm a covenant/peace treaty with many (Israel and the Palestinians) for one week - seven years. This treaty starts the 7 year countdown to the end of the age (not the "end of the world") resulting in the construction of the third temple on Mount Moriah and the mid-point "abomination of desolation" that Christ described in Matt. 24:15. The battle of Armageddon will be at the end of this seven year period.

Daniel 9:24 Seventy weeks are determined for your people and for your holy city, to finish the transgression, to make an end of sins, to make reconciliation for iniquity, to bring in everlasting righteousness, to seal up vision and prophecy, and to anoint the Most Holy. 25 Know therefore and understand, that from the going forth of the command to restore and build Jerusalem until Messiah the Prince, there shall be seven weeks and sixty-two weeks; the street shall be built again, and the wall, even in troublesome times. 26 And after the sixty-two weeks Messiah shall be cut off, but not for Himself; and the people of the prince who is to come shall destroy the city and the sanctuary. The end of it shall be with a flood, and till the end of the war desolations are determined. 27 Then He shall confirm a covenant with many for one week; but in the middle of the week He shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, even until the consummation, which is determined, is poured out on the desolate.



The Tribulation Period - Final Seven Years

Daniel 7: 7 After this I saw in the night visions, and behold a fourth NWO beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts (kingdoms) that were before it; and it had ten horns. Revelation 17:12 The ten horns which you saw are ten kings (rulers over ten economic or regional unions) who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. 13 These are of one mind, and they will give their power and authority to the beast. Daniel 7:8 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things. Revelation 6:2 And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. Revelation 13:2 ...The dragon gave the beast his power and his throne and great authority. 3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast. 4 People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it? 5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. (the final 3 1/2 years) Daniel 9:27 ...and in the midst of the week he shall cause the sacrifice and the offering to cease... (This is the abomination of desolation that is spoken of in Matthew 24:15. This is when the antichrist enters the temple, stops the temple sacrifices, and then declaring himself god and demands worship.) Revelation 13:7 And authority was given him over every tribe, tongue, and nation. 8 All who dwell on the earth will worship him...

11 Then I saw another beast (the false prophet) coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. 12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

Daniel 11:36 Then the king (Antichrist) shall do according to his own will: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, ...for he shall exalt himself above them all. 38 But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. 39 Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to

rule over many, and divide the land for gain. 41 He shall also enter the Glorious Land (land Of Israel), and many countries shall be overthrown ... 42 He shall stretch out his hand against the countries, and the land of Egypt shall not escape. 43 He shall have power over the treasures of gold and silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps. 44 But tidings out of the east (the advancing armies of China and N. Korea) and out of the north (Russia) shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. 45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Is the end really that near? Do we need to be concerned about how much time we have left or just go about our business as usual? The one for us to go to for that information is Christ. When Jesus' disciples asked what would signal his return, he gave them several signs to watch for. He also taught that the time immediately before his coming would be known as the "beginning of sorrows" (Matt. 24:8), which is another way of saying the "onset of labor pains." Jesus was saying the signs of his coming would start out as mild pangs spaced widely apart like human labor and then gradually become closer together and more intense, like the birth process, until the final seven-year (Daniel's 70th week) period of suffering and judgment is to culminate in the coming of the Messiah. Concerning the last days he replied, "And ye shall hear of wars and rumors of wars... For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and great earthquakes, in various places". "...and upon the earth distress of nations, with perplexity; the sea and the waves roaring". "And as it was in the days of Noah, so shall it be also in the days of the Son of man".

2 Thessalonians 2:3-4 Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

The New World Order (NWO) As It Relates To The Coming Antichrist And His Kingdom

The prophesied one-world government is being formed on earth at this very time. The Bible prophesies that the Antichrist (Final dictator) will ultimately reign over a global NWO world government for three-and-one-half years just prior to the Second Coming of Jesus to establish His own world government.

Satanically Empowered Control

Control of the coming endtime government will be consolidated into the totalitarian hands of the Antichrist. The dragon, which is the devil, gives this world governmental system its seat, power, and great authority (Revelation 13:2). We will all feel the oppression of this world government structure because it is satanically inspired, and it is forming right now.

Revelation 13:7 states that power will be given to the Antichrist over "all kindreds, and tongues, and nations." Verse 3 says, "And all the world wondered after the beast." Daniel 7:23 tells of a world governmental system ruled by the Antichrist, "The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces." The prophecy then states that this world government will rule the world until the Second Coming.

Globalization

After the Berlin Wall fell in 1989, we began hearing new terms like World Community and International Community. David Rockefeller said that a global crisis would have to occur before the world would be willing to accept a New World Order. When the world's economy began a dramatic downward plunge in 2008, world leaders again proclaimed the need for a New World Order with global economic structures.

The word "globalization" means exactly what it says. It is the process of transitioning the world into a global government. When we hear about international law, it is referring to the laws of the international government. When we hear about the World Court, it is referring to the court system that has been created to enforce the laws of the world governmental system. The World Bank, the World Trade Organization, the World Health Organization—all of these powerful world institutions are exactly what they say they are. They are all components of the one-world government, the world government prophesied for the endtime 2,000 years ago.

Names for the coming Antichrist: The king of fierce countenance (Daniel 8:23) The prince who is to come (Daniel 9.26) The beast (Revelation 19:19-20) The son of perdition (Thessalonians 2:3) The lawless one (2 Thessalonians 2:8) The man of sin (2 Thessalonians 2:3) The foolish shepherd (Zechariah 11:17)

The Herd Mentality

It's Time For The Sheeple To Open Their Eyes To See The Truth. The Elite Are Going To Bring Us All Under The Control Of A Single Global Fascist State.

Here it is for everyone to see all summed up.

The goal of the Illuminati is to set up an Orwellian Police State, with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system and then they'll bring in their "New World Order". What they want is perpetual war, intrusive government surveillance, and all individuals subordinated to the state. This is their main agenda, "Order Out Of Chaos" to gain control by fear introduced into the hearts of all people.

The Illuminati Agenda - Billions of sheeple under the control of the elite. Their actions are not unlike those of wild animals culling on the weak, sick, and old prey. The elite feel that predators are a necessary and beneficial part of natural systems. They are very much convinced of the fact that if we remove them from the picture, there will be consequences.

What is happening and has been happening in this world is mind-blowing, but perhaps the most astounding thing is the herd mentality that most of us so blindly follow. Think of this - the ones who control the psyches and collective thinking of the people control the governments.

Have we handed over our rights and freedoms to the elite so that the elite can enslave us? And why have we been so dumbed down?

We are not free because there are people who have real power over us, the Illuminati, and they exercise great power over the world.

The choice that we all have to make is, do we just go along with the crowd or break free of the established norms.

Do we just want to exist and live with the status quo and continue to be asleep or do we want to become free of the future that they have for us.

"Collective fear stimulates herd instinct, and tends to produce ferocity toward those who are not regarded as members of the herd." — Bertrand Russell

"A Nation Of Sheep Will Beget A Government Of Wolves." - Edward R. Murrow.

Christ's Imminent Return

ALL End Time prophecies are AT AN APEX right now and ready for fulfillment. Literally, "THIS GENERATION" is now living in the rapidly narrowing gap of time adjacent to the very 'start' of the final 7 Year Tribulation period.

It bears repeating: ALL MAJOR Bible prophecies are right NOW at a prophetical APEX at this crucial time in world history, CONFIRMING the very Nearness of Christ's return precisely as the Lord instructed his followers to "KNOW" ..... IN THAT GENERATION (That is the generation which sees the fulfullment of the signs in Matthew 24) All THINGS WILL COME TO PASS!

The Antichrist

There is still one major goal set to be fulfilled, the ushering of one “Supreme Leader” to head the one-world government, he is the AntiChrist. The AntiChrist is destined to rise in the last days as the ruler over the one-world government.

He will rule in tyranny and will bring great terror. The AntiChrist is destined to be the ruler of the last empire to rule the world which is actually the revived Roman Empire. This empire will control politics, economics, army and religions of the world. This ruler will be fearless and will not embrace any religious conviction. He will demand to be worshiped as God. He will force everyone on earth to bear his mark on their forehead or in their hands. Without this mark, no one can buy nor sell. The one world currency is a major requirement for the establishment of a cashless society.

Ordinary citizens of the world are not aware that the world is already divided into ten major regions referred to as kingdoms. Regionalization of countries is a step forward to the one-world government. Organizations associated with the New World Order use a "ten kingdom" model in their plan for the coming world government.

In the Book of Revelation, the prophet John revealed that the AntiChrist and his ten-nation confederacy will rule the world during the last 3 1/2 years of the coming Tribulation Period. Organizations associated with the establishment of a one-world government have already drafted their one-world constitution.

Whether you believe in a spiritual war or not, you still need Salvation. It is all that will save you when this life on earth is finished.

Do you know beyond the shadow of a doubt where you would go if you died tonight? If not, please consider the following, we pray it's a blessing to you. The Bible says there is only one way to Heaven

Jesus said: "I am the way, the truth, and the life: no man cometh unto the Father but by me." (John 14:6)

Good works cannot save you.

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." (Ephesians 2:8-9)

Trust Jesus Christ today! Here's what you must do:

1. Admit you are a sinner.

2. Be willing to turn from sin (repent).

3. Believe that Jesus Christ died for your sins, was buried, and rose from the dead.

4. Upon believing the gospel, God declares you to be righteous and saves you by his grace.

"God so loved the world that He gave His only Son, so that whoever believes in Him should not perish, but have everlasting life." John 3:16.

"For whosoever shall call upon the name of the Lord shall be saved." Romans 10:13
